Report on review of interim condensed consolidated financial information

To the board of directors of
National Industries Group Holding – KPSC
Kuwait

Introduction

We have reviewed the accompanying interim condensed consolidated financial position of National Industries Group Holding – KPSC (“The Parent Company”) and its Subsidiaries (together “the Group”) as of 31 March 2014 and the related interim condensed consolidated statement of profit or loss, statement of comprehensive income, statement of changes in equity and statement of cash flows for the three-month period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with International Accounting Standard 34, “Interim Financial Reporting”. Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

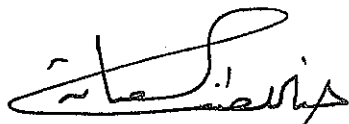

We conducted our review in accordance with International Standard on Review Engagements 2410, “Review of Interim Financial Information Performed by the Independent Auditor of the Entity.” A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with International Accounting Standard 34, “Interim Financial Reporting”.

Report on review of other legal and regulatory matters

Based on our review, the interim condensed consolidated financial information is in agreement with the books of the Parent Company. We further report that, to the best of our knowledge and belief, no violations of the Companies Law No. 25 of 2012, nor of the Articles and Memorandum of Association of the Parent Company, as amended, have occurred during the three-month period ended 31 March 2014 that might have had a material effect on the business or financial position of the Parent Company.

Notes of the interim condensed consolidated financial information

1 Incorporation and activities

National Industries Group Holding – KPSC (‘the parent company’) was incorporated in 1961 as a Kuwaiti shareholding company in accordance with the Commercial Companies Law in the State of Kuwait and in April 2003, its status was transformed to a ‘Holding Company’. The parent company along with its subsidiaries are jointly referred to as “the Group”. The parent company’s shares are traded on the Kuwait Stock Exchange and Dubai Financial Market.

The main objectives of the parent company are as follows:

- Owning stocks and shares in Kuwaiti or non-Kuwaiti shareholding companies and shares in Kuwaiti or non-Kuwaiti limited liability companies and participating in the establishment of, lending to and managing of these companies and acting as a guarantor for these companies.
- Lending money to companies in which it owns 20% or more of the capital of the borrowing company, along with acting as guarantor on behalf of these companies.
- Owning industrial equities such as patents, industrial trade marks, royalties, or any other related rights, and franchising them to other companies or using them within or outside the State of Kuwait.
- Owning real estate and moveable property to conduct its operations within the limits as stipulated by law.
- Employing excess funds available with the company by investing them in investment and real estate portfolios managed by specialised companies.

The Companies Law issued on 26 November 2012 by Decree Law no 25 of 2012 (the “Companies Law”), which was published in the Official Gazette on 29 November 2012, cancelled the Commercial Companies Law No 15 of 1960. The Companies Law was subsequently amended on 27 March 2013 by Law No. 97 of 2013.

On 29 September 2013, Ministry of Commerce and Industry issued its regulation No. 425/2013 regarding the Executive by-laws of the Companies Law. All existing companies are required to comply with articles of these by-laws within one year from the date of its issuance.

The address of the parent company’s registered office is PO Box 417, Safat 13005, State of Kuwait.

The board of directors of the parent company approved this interim condensed consolidated financial information for issue on 15 May 2014.

The annual consolidated financial statements for the year ended 31 December 2013 were approved by the board of directors on 30 March 2014.

2 Basis of preparation and significant accounting policies

Basis of preparation

The interim condensed consolidated financial information of the Group has been prepared in accordance with International Accounting Standard 34 “Interim Financial Reporting”.

The interim condensed consolidated financial information has been presented in Kuwaiti Dinars which is the functional currency of the parent company.

Notes of the interim condensed consolidated financial information (continued)

2 Basis of preparation and significant accounting policies (continued)

The interim condensed consolidated financial information does not include all information and disclosures required for complete financial statements prepared in accordance with the International Financial Reporting Standards. In the opinion of the parent company's management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included.

The preparation of interim condensed consolidated financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgements made by management in applying the group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual audited consolidated financial statements as at and for the year ended 31 December 2013.

Operating results for the three months period ended 31 March 2014 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2014. For further details, refer to the annual consolidated financial statements and its related disclosures for the year ended 31 December 2013.

Changes to accounting policies

Adoption of new IASB Standards and amendments during the period

The accounting policies adopted in the preparation of the interim condensed consolidated financial information are consistent with those followed in the preparation of the Group's annual consolidated financial statements for the year ended 31 December 2013, except for the adoption of new standards and amendments effective as of 1 January 2014.

<i>Standard or Interpretation</i>	<i>Effective for annual periods beginning</i>
IAS 32 Financial Instruments: Presentation - Amendments	1 January 2014
IAS 36 Impairment of Assets- Amendments	1 January 2014
Investment Entities – Amendments to IFRS 10, IFRS 12 and IAS 27	1 January 2014
Novation of Derivatives and Continuation of Hedge Accounting (Amendments to IAS 39)	1 January 2014
IFRIC 21 Levies	1 January 2014

The nature and the impact of applying each new standard/amendment is described below:

IAS 32 Financial Instruments: Presentation - Amendments

The amendments to IAS 32 add application guidance to address inconsistencies in applying IAS 32's criteria for offsetting financial assets and financial liabilities in the following two areas:

- the meaning of 'currently has a legally enforceable right of set-off'
- that some gross settlement systems may be considered equivalent to net settlement.

The amendments are required to be applied retrospectively. The adoption of the amendment did not result in any material impact on the Group's interim condensed consolidated financial information.

Notes to the interim condensed financial information (continued)

2 Basis of preparation and significant accounting policies (continued)

IAS 36 Impairment of Assets- Amendments

The amendments to IAS 36 reduces the circumstances in which the recoverable amount of assets or cash-generating units is required to be disclosed, clarify the disclosures required, and to introduce an explicit requirement to disclose the discount rate used in determining impairment (or reversals) where recoverable amount (based on fair value less costs of disposal) is determined using a present value technique. The adoption of this amendment did not have any significant impact on the financial position or performance of the Group.

Investment Entities – Amendments to IFRS 10, IFRS 12 and IAS 27

The Amendments define the term 'investment entity', provide supporting guidance and require investment entities to measure investments in the form of controlling interests in another entity at fair value through profit or loss. These amendments have no impact on the Group, since none of the entities in the Group qualifies to be an investment entity under IFRS 10.

Novation of Derivatives and Continuation of Hedge Accounting (Amendments to IAS 39)

The Amendment makes it clear that there is no need to discontinue hedge accounting if a hedging derivative is novated, provided certain criteria are met.

A novation indicates an event where the original parties to a derivative agree that one or more clearing counterparties replace their original counterparty to become the new counterparty to each of the parties. In order to apply the amendments and continue hedge accounting, novation to a central counterparty (CCP) must happen as a consequence of laws or regulations or the introduction of laws or regulations. The adoption of this amendment did not have any significant impact on the financial position or performance of the Group.

IFRIC 21 'Levies' (IFRIC 21)

IFRIC 21 clarifies that:

- the obligating event that gives rise to the liability is the activity that triggers the payment of the levy, as identified by the government's legislation. If this activity arises on specific date within an accounting period then the entire obligation is recognised on that date
- the same recognition principles apply in the annual and interim financial statements.

IFRIC 21 has been applied retrospectively in accordance with its transitional provisions but the adoption of this amendment did not have any significant impact on the financial position or performance of the Group.

The Group has not early adopted any other standard, interpretation or amendment that has been issued but not yet effective.

Fair value hierarchy for financial instruments measured at fair value

The following table presents the financial assets and liabilities which are measured at fair value in the interim condensed consolidated statement of financial position in accordance with the fair value hierarchy.

This hierarchy groups financial assets and liabilities into three levels based on the significance of inputs used in measuring the fair value of the financial assets and liabilities. The fair value hierarchy has the following levels:

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities;
- Level 2: inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices); and
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The level within which the financial asset or liability is classified is determined based on the lowest level of significant input to the fair value measurement.

The financial assets and liabilities measured at fair value in the statement of financial position are grouped into the fair value hierarchy as follows;

Fair value hierarchy for financial instruments measured at fair value (continued)

Fair value measurements

The Group measurement of financial assets and liabilities classified in level 3 uses valuation techniques inputs that are not based on observable market data. The financial instruments within this level can be reconciled from beginning to ending balances as follows:

	31 March 2014 (Unaudited) KD '000	31 Dec. 2013 (Audited) KD '000
Opening balance	279,517	319,317
Net change in fair value recognised in other comprehensive income	1,601	(1,143)
Impairment recognised in profit or loss	(420)	(8,748)
Net change in fair value recognised in profit or loss	40	2,115
Net addition/(disposals) during the period/year	4,110	(33,529)
Reclassified from carried at cost to fair valued investments	-	1,505
Closing balance	284,848	279,517

Changing inputs to the level 3 valuations to reasonably possible alternative assumption would not change significantly amounts recognised in profit or loss, total assets or total liabilities or total equity.

Measurement at fair value

The methods and valuation techniques used for the purpose of measuring fair value, which are unchanged compared to the previous reporting period and are as follows:

Financial instruments in level 1

a) Quoted shares & debt instruments (level 1)

Quoted shares and debt instruments represent all listed equity securities and debt instruments which are publicly traded in stock exchanges. Fair values have been determined by reference to their quoted bid prices at the reporting date.

Financial instruments in level 2 & 3

b) Local funds (level 2)

The underlying investments of these funds mainly comprise of local quoted shares and money market instruments and the fair value of the investment has been determined based on net asset values reported by the fund manager as of the reporting date.

c) Foreign funds (level 2)

The underlying investments in these private equity funds mainly represent foreign quoted and unquoted securities. Information for these investments is limited to periodic financial reports provided by the investment managers. These investments are carried at net asset values reported by the investment managers. Due to the nature of these investments, the net asset values reported by the investment managers represent the best estimate of fair values available for these investments.

Other managed portfolios (level 3)

The underlying investments of other managed portfolios represent foreign quoted and unquoted securities managed by specialized portfolio managers. They are valued based on periodic reports received from the portfolio managers.

Notes of the interim condensed consolidated financial information (continued)

15 Financial instruments (continued)

Financial instruments in level 2 & 3 (continued)

d) Unquoted equity participations (level 3)

The consolidated financial statements include holdings in unlisted securities which are measured at fair value. Fair value is estimated using discounted cash flow model or other valuation techniques which include some assumptions that are not supportable by observable market prices or rates.

e) International managed portfolios and funds (level 3)

The underlying investments of international managed portfolios and funds represent quoted and unquoted securities. They are valued based on fund managers' report.

16 Discontinued operations

The Group's discontinued operations comprise of operations of two of its subsidiaries (Diamond H Controls Limited disposed in October 2013 and BD Electric (Shenzhou) Limited put into liquidation in September 2013) and the operating losses of those two subsidiaries are summarised below:

	Three months ended 31 March 2013 KD '000
Sales	261
Cost of sales	(223)
Gross profit	38
Distribution costs	(32)
General, administrative and other expenses	(32)
	(26)
Finance costs	(18)
Loss for the period from discontinued operations	(44)

17 Annual general assembly and dividend distributions

The Annual General Assembly of the Parent Company for the year ended 31 December 2013 is scheduled to be held on 28 May 2014. Accordingly, the consolidated financial statements for the year ended 31 December 2013 have not yet been approved by the shareholders; hence the opening balances are subject to shareholders' approval.

Subject to the requisite consent of the relevant authorities and approval from the scheduled general assembly as at 28 May 2014 the Parent Company's Board of Directors propose 5% bonus shares on outstanding shares as at 31 December 2013 (2012: Nil) and not to distribute any cash dividend (2012: Nil).

18 Contingent liabilities

At 31 March 2014, the Group had contingent liabilities in respect of outstanding bank guarantees amounting to KD13,097 thousand (31 December 2013: KD12,795 thousand and 31 March 2013: KD11,770 thousand).

Notes of the interim condensed consolidated financial information (continued)

19 Fiduciary assets

One of the subsidiaries of the group manages mutual funds, portfolios on behalf of related and third parties, and maintains securities in fiduciary accounts which are not reflected in the interim condensed consolidated statement of financial position. Assets under management at 31 March 2014 amounted to KD7,150 thousand (31 December 2013: KD6,804 thousand and 31 March 2013: KD28,684 thousand) of which assets managed on behalf of related parties amounted to KD4,384 thousand (31 December 2013: KD4,234 thousand and 31 March 2013: KD4,588 thousand).

20 Capital commitments

At the reporting date the group had commitments for the purchase of investments and the acquisition of property, plant and equipment totalling to KD26,875 thousand (31 December 2013: KD25,438 thousand and 31 March 2013: KD26,656 thousand).

21 Subsequent events

Subsequent to the reporting date on 2 April 2014, the Parent Company signed a "Term Sheet" with a buyer to dispose 29.9% of its holding in its subsidiary, Noor Financial Investment Company KPSC ("Noor") for a consideration of approximately KD28 Mn. The purpose of the "Term Sheet" is to summarize some of the key terms of the proposed sale and to commence negotiating in good faith the "Definitive Agreement" in accordance with the terms outlined in the Term Sheet. The Parent Company's management expects to sign the "Definitive Agreement" and transfer the shares to the buyer, only upon completion of certain Due Diligence procedures by the buyer and upon obtaining regulatory and other required approvals. The net results of the transaction will depend on the date on which all legal procedures are completed to effect the sale (which results in the Group losing control over the subsidiary, "Noor") and the net assets of "Noor" which have been included in the Group's consolidated financial statements as of that date. The Parent Company's management expects to complete the sale within 6 months.

22 Comparative information

The comparative interim condensed consolidated statement of profit or loss has been re-presented as if an operation discontinued during the previous year has been discontinued from the start of the comparative year (refer note 16).

In addition certain other comparative figures has been reclassified to conform to the presentation in the current year, and such reclassification does not affect previously reported net assets, net equity and net results for the period or net decrease in cash and cash equivalents.
