Report on review of interim condensed consolidated financial information

To the board of directors of National Industries Company – KSC (Closed) Kuwait

Introduction

We have reviewed the accompanying interim condensed consolidated statement of financial position of National Industries Company (A Kuwaiti Closed Shareholding Company) and its subsidiaries as of 30 September 2012 and the related interim condensed consolidated statements of income, comprehensive income, changes in equity and cash flows for the nine-month period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the International Accounting Standard 34, "Interim Financial Reporting". Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the International Accounting Standard 34, "Interim Financial Reporting".

Report on review of other legal and regulatory requirements

Based on our review, the interim condensed consolidated financial information is in agreement with the books of the Company. We further report that, to the best of our knowledge and belief, no violations of the Commercial Companies Law of 1960, or of the articles of association of the Company, as amended, have occurred during the nine-month period ended 30 September 2012 that might have had a material effect on the business or financial position of the Company.

1 Incorporation and activities

National Industries Company – KSC (Closed) (the parent company) was incorporated on 1 February 1997 as a Kuwaiti closed shareholding company and its shares are listed on the Kuwait Stock Exchange. The parent company is a subsidiary of National Industries Group Holding – SAK ("ultimate parent company").

The main objectives of the parent company are as follows:

- Practicing all industrial activities, re-manufacturing and related activities and implementing those activities
 directly or through a third party to the account of the company or the third party after obtaining the
 necessary industrial licenses from the competent authorities.
- Implementing studies, researches and development and providing consultations in all kinds of industrial fields.
- Practicing trade of the materials related to the activities of import, export and marketing of products.
- Transportation, clearance, storage and packaging of raw materials and products and acquisition of the necessary means of transportation and storage.
- Quarry works and extraction, trading, formation and manufacturing of sands and rocks and import of the necessary equipment.
- Acquisition and rental of the movables and real estate properties necessary to carry out the company's activity and market its products.
- Establishing companies or participating therein with other parties to carry out the company's activities.
- Investing surplus funds in financial portfolios managed by specialized companies.
- The company may carry out the above activities inside and outside Kuwait.

The group comprises the parent company and its subsidiaries, Building Systems Industries Company – WLL and National Industries Company for Ceramic – KSC (Closed).

The address of the parent company's registered office is PO Box 3314, Safat 13034, State of Kuwait.

The parent company's board of directors approved this interim condensed consolidated financial information for issue on 8 November 2012.

2 Basis of preparation

The interim condensed consolidated financial information of the group has been prepared in accordance with International Accounting Standard 34, "Interim Financial Reporting". The accounting policies used in the preparation of the interim condensed financial information are consistent with those used in the preparation of the annual financial statements of the group for the year ended 31 December 2011 except for adoption of relevant new standards, amendments to certain standards and interpretations discussed below.

The interim condensed consolidated financial information has been presented in Kuwaiti Dinars which is the functional currency of the group.

This interim condensed consolidated financial information does not include all information and disclosures required for complete financial statements prepared in accordance with the International Financial Reporting Standards. In the opinion of management, all adjustments consisting of normal recurring accruals considered necessary for a fair presentation have been included.

2 Basis of preparation (continued)

Operating results for the nine month period ended 30 September 2012 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2012. For further details, refer to the financial statements and its disclosures for the year ended 31 December 2011.

Adoption of new IASB Standards and amendments during the period

The group has adopted the following amended IFRS during the period:

IFRS 7 Financial Instruments: Disclosures- amendment

The amendments to IFRS 7 Financial Instruments: Disclosures resulted as a part of comprehensive review of off financial position activities. The amendments allows users of financial statements to improve their understanding of transfer transactions of financial assets (for example, securitisations), including understanding the possible effects of any risks that may remain with the entity that transferred the assets. The amendments also required additional disclosures if a disproportionate amount of transfer transactions are undertaken around the end of a reporting period. The adoption of this amendment did not have any significant impact on the financial position or performance of the group.

IASB Standards issued but not yet effective

At the date of authorisation of this interim condensed consolidated financial information, certain new standards, amendments and interpretations to existing standards have been published by the IASB but are not yet effective, and have not been adopted early by the group.

Management anticipates that all of the relevant pronouncements will be adopted in the group's accounting policies for the first period beginning after the effective date of the pronouncement. Information on new standards, amendments and interpretations that are expected to be relevant to the group's financial statements is provided below.

Standard or Interpretation	Effective for annual periods beginning
IAS 1 Presentation of Financial Statements – amendment IAS 27 Consolidated and Separate Financial Statements	1 July 2012 1 January 2013
 Revised as IAS 27 Separate Financial Statements IAS 28 Investments in Associates Revised as IAS 28 Investments – Associates and Joint Venture 	1 January 2013
IFRS 9 Financial Instruments: Classification and Measurement IFRS 10 Consolidated Financial Statements IFRS 12 Disclosure of Interest in Other Entities IFRS 13 Fair Value Measurement	1 January 20151 January 20131 January 20131 January 2013

LAS 1 Presentation of Financial Statements

The amendment to IAS 1 requires entities to group other comprehensive income items presented in the statement of comprehensive income based on those:

- a) Potentially reclassifiable to (consolidated) statement of income in a subsequent period, and
- b) That will not be reclassified to (consolidated) statement of income subsequently.

The group will change the current presentation of the (consolidated) statement of comprehensive income when the amendment becomes effective.

National Industries Company – KSC (Closed) and Subsidiaries Interim Condensed Consolidated Financial Information 30 September 2012 (Unaudited)

Notes to the interim condensed consolidated financial information (continued)

2 Basis of preparation (continued)

IASB Standards issued but not yet effective (continued)

LAS 27 Consolidated and Separate Financial statements – Revised as LAS 27 Separate Financial Statements As a result of the consequential amendments, IAS 27 now deals with separate financial statements.

LAS 28 Investments in Associates – Revised as LAS 28 Investments in Associates and Joint Ventures
As a result of the consequential amendments, IAS 28 brings investments in joint ventures into its scope.
However, the equity accounting methodology under IAS 28 remains unchanged.

IFRS 9 Financial Instruments

The IASB aims to replace IAS 39 Financial Instruments: Recognition and Measurement in its entirety by, with the replacement standard to be effective for annual periods beginning 1 January 2015. IFRS 9 is the first part of Phase 1 of this project. The main phases are:

- Phase 1: Classification and Measurement
- Phase 2: Impairment methodology
- Phase 3: Hedge accounting

In addition, a separate project is dealing with derecognition.

Although earlier application of this standard is permitted, the Technical Committee of the Ministry of Commerce and Industry of Kuwait decided on 30 December 2009, to postpone this early application till further notice, due to the non-completion of the remaining stages of the standard.

IFRS 10 Consolidated Financial Statements

IFRS 10 supersedes IAS 27 Consolidated and Separate Financial Statements. It revised the definition of control together with accompanying guidance to identify an interest in subsidiary. However, the requirements and procedures of consolidation and the accounting for any non-controlling interests and changes in control remain the same.

IFRS 12 Disclosure of Interests in Other Entities

IFRS 12 is designed to complement the other new standards. It sets out consistent disclosure requirements for subsidiaries, joint ventures and associates, as well as unconsolidated structured entities. The disclosure requirements are extensive and will result in significant amounts of new disclosures for some companies. Structured entities were previously referred to in SIC 12 as special purpose entities. The disclosures required by IFRS 12 aims to provide transparency about the risks a group is exposed to through its interests in structured entities.

IFRS 13 Fair Value Measurement

IFRS 13 does not affect which items to be fair valued, but clarifies the definition of fair value and provides related guidance and enhanced disclosures about fair value measurements. The adoption of this standard is not expected to have a significant impact on the financial position and performance of the group.

3 Judgement and estimates

The preparation of interim condensed consolidated financial information requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

In preparing this interim condensed consolidated financial information, the significant judgements made by management in applying the group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the annual audited consolidated financial statements as at and for the year ended 31 December 2011.
