## **Report on review of interim condensed consolidated financial information**

To the Board of Directors of  
Noor Financial Investment Company – KSC (Closed)  
Kuwait

### *Introduction*

We have reviewed the accompanying interim condensed consolidated statement of financial position of Noor Financial Investment Company KSC (Closed) ("the parent company") and its subsidiaries ("the Group") as of 30 September 2012 and the related interim condensed consolidated statements of income and statement of comprehensive income for the three-month and nine-month period then ended and the related interim condensed consolidated statements of changes in equity and cash flows for the nine-month period then ended. Management is responsible for the preparation and presentation of this interim condensed consolidated financial information in accordance with the basis of presentation set out in note (2). Our responsibility is to express a conclusion on this interim condensed consolidated financial information based on our review.

### *Scope of Review*

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information performed by the Independent Auditor of the Entity." A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Conclusion*

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial information is not prepared, in all material respects, in accordance with the basis of presentation set out in note (2).

### **Report on review of other legal and regulatory requirements**

Based on our review, the interim condensed consolidated financial information is in agreement with the books of the parent company. We further report that, to the best of our knowledge and belief, no violation of the Commercial Companies Law of 1960 or of the articles of association of the parent company, as amended, have occurred during the nine-month period ended 30 September 2012 that might have had a material effect on the business or financial position of the Group.
